The prescribed use of recreational and other activities as a treatment intervention is designed to restore, remediate, or habilitate improvement in a participant’s functioning and independence, while reducing or eliminating the effects of the participant’s serious emotional disturbance.

A recreational therapy provider must be:

1. A licensed professional with documented training and experience relative to the specialized therapy being provided. This may include a: clinical social worker; professional counselor; marriage and family therapist; registered nurse; vocational nurse; physical therapist; occupational therapist; or dietitian; or

2. Certified by the National Council of Therapeutic Recreation Certification (CTRS); or

3. Certified as a Texas Certified Therapeutic Recreation Specialist (TRS/TXC).

The Wraparound Plan must describe:

1. The skills training that will be provided to participant, as they relate to achieving the participant’s identified goal(s);

2. The strategies and/or action steps that will be used to assist the participant in achieving the identified goal(s); and

3. The type, scope, and duration of the service.

Progress notes are required for the provision of recreational therapy and must include:

1. Participant name;

2. Date of contact with the participant;

3. Start and stop time of contact with the participant;

4. Service name and description;

5. Service location;

6. Wraparound plan objective(s) that was the focus of the service;

7. Participant response to nutritional counseling being provided;

8. Progress or lack of progress in achieving Wraparound Plan goals; and

9. Direct service provider’s signature and credentials.
